RE.T3CH Rulebook

Date: 30 and 31 October, 2018
Total event duration:
       12 hours - 7AM to 7PM on the 30th October
       4 hours - 10AM to 2PM on 31st October

Instructions:

- Please bring your own laptops, chargers, mobiles and any other accessories you will require. Teams must have at least 2 laptops. We recommend having 4 laptops to avoid inconveniences to the participants.
- In case of power loss, loss of network connection or any other unforeseen circumstance, the organizing team or the volunteers will not be held responsible. Participants must make their own arrangements in such cases.
- 3 member of the team must be present at all times at their assigned desks during the hackathon.
- 2 remaining members of the teams would be participating in the other sub events.
- Teams would be given the first part of their hackathon problem statement at the beginning.
- The subsequent parts would be unlocked as teams progress through the sub events.
- Each team should try to have a uniquely identifiable symbol or color of clothing.
- Food coupons will be provided at the time of the attendance. Food coupons will not be provided again if they are lost or misplaced by the participants.
- The members may switch their positions between the events but not during an on-going event.
- Please make sure that you have access to ID and passwords for accessing internet on DAVV network.
- Teams will not be provided a separate break time for meals. They would have to manage the time within the allotted time for the hackathon.
- Organizers have the right to disqualify or penalize any team if they are found in violation of our code of conduct. The code of conduct can be found on https://retech.js.org/coc.html
